

Adelina Urzhanova

Product Designer · Moscow

adelina@urzhanovaa.com ↗ · +7 977 131-22-30

urzhanovaa.com ↗ · t.me/urzhanovaa ↗ · linkedin.com/in/urzhanovaa ↗

I work where AI, e-commerce and fintech meet. I take products thick with logic and states and make them feel clear from the outside — from research through to layouts ready for development.

EXPERIENCE

Jul 2024 — now

Wildberries

Sr. Product Designer, WB Bank Aug 2026 — now

B2C: digital financial assets, savings products and the wallet — money-management flows and the wallet upgrade.

Sr. Product Designer, WB Partners Sep 2025 — Jul 2026

B2B: AI products and product-card services — photo editor, visual generation and editing, A/B tests with analytics.

Product Designer, WB Partners Jul 2024 — Aug 2025

B2B: product-card flows — creation, editing, completion logic, hints and publishing preparation.

Mar 2024 — Jul 2025

MUJO AI · Product Designer

B2B: an AI platform for marketplace infographics — online editor, quiz, dashboard, account and project management. Built the design system and the core UX logic.

Apr — Dec 2023

Teamly · Web Designer

The main product website, e-commerce and Android app interfaces. Introduced AI and 3D tools into the design workflow.

Sep 2022 — May 2023

IDS · Graphic Designer

Graphic and web design for event projects: visuals, websites and landing pages, promo materials — from concept to final delivery.

Sep 2019 — Sep 2021

MIET · Graphic Designer

Layouts for a monthly university magazine: typography, composition, image editing and prepress preparation.

TALKS

2025 — 2026

RWB University · speaker

Seller course: private label product development.

Masterclass: advanced product card tools.

EDUCATION & COURSES

2018 — 2022

MIET, Graphic Design — bachelor's degree, full-time

Over 12 prizes in inter-university design competitions.

Brand identities, print, animation and 3D.

2024

BangBang Education — year-long programme in UI/UX and product design

2020 — 2021

Kristina Anfalova — UI/UX design course
